#### **DAY TODAY**

ARIES (Mar 21 - Apr 20) are hopeful, inspired at the

beginning of the week and you're likely to be in an expansive and extravagant mood. Friends will be urging you to experiment with new enterprises. It's down to Mercury and Neptune.

TAURUS (Apr 21 - May 21) The theme for this week must be reconciliation,

especially for those of you who feel that you have been the victim of quite undeserved criticism. It takes more courage to turn the other cheek than to seek revenge, so don't let other people pressurise you into doing what you know is wrong.

#### GEMINI (May 22 - June 21) Your life is by its very nature

complicated, which is why interpreting your planetary picture at the moment is so difficult. The problem is that, while you are being urged to take a gamble, there is no absolute or ultimate guarantee of success.

#### CANCER (June 22 - July 23)

#### LEO (July 24 - Aug 23)

Daily trends are ruled mainly by the Moon's rapid motion. Today it is issues close to home which dominate your thinking. The obsessive planet Pluto will be turning your mind to what you can do to improve the situation.

#### VIRGO (Aug 24 - Sep 23) Spending money

must now be more important than saving it. How is this? Are there perhaps items you can buy which will dramatically improve your lifestyle or enhance the

quality of life? Luxury seems

LIBRA (Sep 24 - Oct 23) The current planetary alignment is

ideal for those of vou who are participating in a spiritual quest, but not of much help to those who are bogged down with practical cares or snowed under with chores. Try and take whatever time off you need.

#### SCORPIO (Oct 24 - Nov 23) Current transits highlight the higher side of life,

the human quest for Truth. The ideal way to express your planetary patterns for the next few days is to willingly sacrifice your interests in the service of those who are in need of sympathy.

#### SAGITTARIUS (Nov 24 - Dec 22)

The current celestial picture is highly expansive. As far as you are concerned this might mean that your investments or savings may yield a greater than expected return, but also that, over the next month, your spending
